

COVID requirements at the studio (version 17.12.21)

All people attending the studio MUST sign in via the CHECK in TAS QR code, sign in the class register book at the entrance AND sanitise their hands as they enter the building.

- 1. If you have any cold or flu like symptoms you must not enter the studio.**
- 2. If you test positive for COVID19 and have been in the studio you must immediately notify Lindy Whitton on 0407077610**
- 3. Social distancing of 1.5 m to be adhered to while attending classes and workshops.**
 - Tables should be left as they are and NOT moved as they allow for 14 class members and 1 tutor to work in a socially distanced way.
 - There should be one person per table only.
 - Please stay in your work space as much as possible to respect ALL members personal space. Do not wander around the room.
 - Do not congregate in the storeroom or kitchen area.
 - If you are uncomfortable with someone being too close to you please remind them of the socially distancing rules
 - If someone reminds you of the rules please be respectful and modify your behaviour
- 4. Each member is responsible for cleaning their personal table and chair at the end of each session.** Instructions are on the tables and there are spray bottles of disinfectant and paper towels available around the room. If you use a cushion on your chair please spray it with the disinfectant then turn it over so there is a dry side for the next class
- 5. Use of the KITCHEN facilities.** Members may use the kitchen facilities one at a time for making a drink. The microwave is not to be used until further notice. Please sanitise your hands before using communal areas such as the kitchen. Communal tea/coffee supplies will no longer be available. Bring and use your own mug and spoon and wash up and pack away immediately after use. You should bring your own drinks and snacks with you.
- 6. The tutor (or last person to leave) should sanitise the taps, light switches and door handle before they leave.**
